

## SUNBURY

The bells are hung on plain bearings **VP: True?** in a metal 'H' type two tier frame installed in 1901. The treble, 2<sup>nd</sup>, 4<sup>th</sup> 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> and tenor are on the main tier with the third bell on a small top tier above the 4<sup>th</sup> bell.

The bells are rung in full circle
