

HAREFIELD. Sources

The squat brick and stone tower, whose patchwork appearance give the impression that the architect's allegiance wavered, houses a light six, the ringing chamber being only a few feet above ground level. *Ringin' world* October 15th 1976 p. 858. (Report of a striking competition)

Tower flint, rubble and stone, upper part brick. Bells: three (1629, 1753, 1772) and Sanctus, undated LMAS *Transactions* vol. 18 part 2 (1955) entry 199.
