Built 1841. Architects Sir Gilbert Scott & W B Moffatt.

First church built 958, possibly on earlier site. Replaced in 12th century. In 1782, T Hardwick's brick Georgian structure built. Present church Sir G Scott's first church. 1898 chancel added (W Pywell); refurnished after fire in 1912. Built of flint and yellow crick; north wall crick only; buttressed in stone; slate roof and tall slender broach spire. Galleries on north, south and west sides. East window has three lancets of stained glass. In chancel frescoes by William Yeames, R.A. (a churchwarden). Organ by Gray & Davison; two Georgian chairs in sanctuary. Beadles staff from reign of William and Mary. Clock in west gallery 1785 by William Dutton. Two bells, one from medieval church (1760) and one from Georgian church (1782). Memorials from 1788. *Directory of churches in the London Borough of Ealing*. (n.d.)
